Baymont Inn & Suites

Prattville, AL

The I-65 corridor along the Montgomery and Prattville communities, in central Alabama is an excellent development opportunity for transient lodging. OAA worked closely with the owner/development to develop a program to meet the needs of this development. OAA was also responsible to coordinate the requirements of the franchisor's (Baymont Inns & Suites) standards and specifications. The hotel includes boardroom facilities, an indoor pool, exercise room, guest laundry facilities as well as 62 guest rooms and administrative offices.
